Although Windstar Cruises will make every reasonable effort to provide you with the voyage described here, situations may occur which require that a change be made. By way of example only, we may adjust itineraries and schedules, ship positioning, delay arrivals or departures or cancel a cruise due to casualty, weather, labor issues, the need to render assistance to another vessel, governmental or insurer directives, passenger or employee injury or illness, schedule delays or changes by third parties, repair and maintenance requirements, fuel or other shortages or damage to the Ship or other means of transport (i.e. roads, tracks, bridges, docks, equipment or machinery.) Consequently, we cannot guarantee the itinerary of the cruise, including the time of sailing or arrival at any port, or that all the ports will, in fact, be called upon. Anchor/Pier assignment is subject to change due to port authority request, changing weather conditions or other unforeseen circumstances. The Watersports Platform is not guaranteed to be open due to port authority request, changing weather conditions or other unforeseen circumstances. All terms and conditions stated on the Windstar website apply. All cruises are provided subject to the terms of the Windstar passage contract.
